Happy new year to all members and welcome back,

I hope everyone had an enjoyable time over the festive season and did not over-indulge too much.

Well our Australia Day run to Norah Head turned out to be a top day. The sun was out for a change and we had a big turn out of members and 20 cars on display which was great to see. Thanks to Tyson & Graham for cooking the BBQ. A reminder to members if attending a BBQ run to RSVP the text message sent out so we can get our catering needs right. If your not receiving the texts messages please let me know.

Our re-scheduled Annual Display Day is on Feb 7 at the Entrance. It will be great if we can get another big turn out of members and cars.

Members please don't forget our Swap Meet is on March 13 and we will need all hands on deck. I will send a text message out before the March general meeting and ask all members to respond with their availability for setting up on the Saturday and running the swap meet on the Sunday.

We will continue to hold our general meetings at Ourimbah RSL Club throughout 2016. The RSL Club has again accepted us under their Club Grants Scheme and do not charge us for the use of their facility but there are some conditions. Apart from the normal dress and behaviour codes members need to be aware of the following -
- You are asked to join the RSL Club – cost is only $6.60
- If we alter the furniture set up we must ensure the room is reset to how it was
- Any empty glasses, plates or rubbish are to be removed

It would be difficult for our club to find another venue to hold our meetings that provides us with good facilities and I ask all members to support this.

Drive safe,

Jeff
