MARCH PRESIDENTS REPORT

Hi Everyone
I hope life is treating you well. So this month our big focus will be on the SWAP MEET. Once the Swap Meet is done for the year we can then get back to some normality. As you would be aware there is a lot to do on both the Saturday and the Sunday with most of the helpers required for the Sunday. Saturday is set up day and Sunday is Show Day.
I'll thank you in advance for your help and participation and let's pray for a good weather weekend.
On another note our event coordinator Joe Horley has stepped down from that position due to other commitments. I'd personally like to thank Joe for his help and efforts during the past year. We've had some great events with personal highlights being the display day and the Christmas Party. Thank you Joe. With that the position of Events coordinator is now vacant and if you feel that you could fill this role please speak to me and nominate yourself. It's a great opportunity to also be part of the club committee and to help steer this club into the future.
Thank you everyone for your participation as without you there is no club.
Stay safe
Adrian.
