Presidents Report

Well what a great day our annual display day was. I’d like to thank all the members who turned up on the day to showcase our club. We had 35 cars on display with some members going to the effort of bringing several cars. I also had numerous enquiries from the public about our club and possible membership. The judging of our cars was very challenging due to the number and quality on display and this made the day more enjoyable. I look forward to handing out the trophies at our presentation dinner.

A big thank you to Ross & Matt for cooking the BBQ and James for towing the club trailer. Also to James & his father for fixing the wiring on our trailer.

The only disappointment on the day was the number of club registered cars that turned up. This is something the committee will have to review.

A reminder to members our annual swap meet is fast approaching and we will need the support of all members to make it a success.

I’d like to wish all members a very merry Christmas & happy New Year and look forward to us talking all things Holden again next year.

Drive safe over the festive season,

Jeff

Grossman House Maitland

Grossmann House is a superb option for a group tour. Come and visit the fully furnished “1870s House” linked to lifestyles and industry in the region. Examples from the State significant textile collection are also on display. Internally, the house reflects a prosperous Victorian ambiance. In season, an antique rose garden is a highlight.
