Going for a Friday Night Drive or maybe a day drive during the week. Post it to our Facebook Group and invite other Club members. For those that are not on Facebook or need help setting up an account please see the Editor and Publicity Team.

For those who are building or rebuilding their cars please send us some photos and a short note of the work you are doing to them so we can stick it in the Grille.

Give me 5 for Kids!
President's Report

Hi Everyone

Well there goes a year and here we are again at our AGM. For myself it's been a bit of a roller coaster of a year having taken on the position of President. One of the good things about being President is getting to know each of you on a more personal basis and that's been a good thing.

We've seen new members join and some attrition as some members have also left the club. Sadly we've also had to say good bye to 3 members in particular who have passed on and it was wonderful to see the sentiment of many club members who attended the respective funeral services.

We've had lots of interesting runs, we've raised some money for charity, and we had a washout Swap Meet. Not everything has gone according to plan but we've managed to get through all of it.

Our Club continues to grow and our financial foundation is strong which puts us in a great position as we move into the future.

I'm looking forward to the coming year and all going well a good strong committee that can continue as Stewards of this great little club

Stay Safe and Happy Motoring.

Adrian
