Car of the Day all Holden Day 2017
President Report

Well it's a beautiful day here in Clarendon for All Holden Day. As usual a little cool to start the day. We have 14 cars on display and a continual presence of lookers enjoying our wonderfully presented cars. A big thank you to everyone that has made today a success. Those who I'd like to particularly mention are Vince Tabone, Ken Gold, and Tyson Williams for the amount of work that gets done behind the scenes in getting everything ready so today is a success. Also Lenaire Sorensen who has been working behind the scenes promoting the club. Lenaire also took out "Car of the Day" from "Pinkys Disco" Also a big Thanks to Gary and Maureen Webb for towing the trailer for today. To all those who helped on the day as well - THANK YOU.

Our upcoming event at Gosford Classic Car Museum looks like a ripper. Really looking forward to this one. Hope you are too. Our new committee is up and running and everyone are slowly becoming more familiar with their positions. Again thanks for your support.

A new year awaits us, so let's have fun and enjoy each other's company

Safe travels
Adrian.
