REMEMBER: Members are reminded they must attend at least five (5) general meetings per year to be entitled to any club benefits.
Greetings to all members,

June was a social month for members with 2 runs happening. Our first mid week run to 'Pie in the Sky' was well supported even with the weather not being the best. Members enjoyed a nice pie & coffee lunch and a good chat. We will have some more mid week runs in the future if members want them.

We also had a run to the Hunter Valley Zoo out near Cessnock. This was a great day with a big turn out of members and guests and the zoo was very interesting. Seeing the Meerkats was worth the price of admission alone. A big thank you to Adrian for organising the day and Brian and Matt for cooking the bbq.

I would like to welcome 2 new members to our club. Bruce McMurray and Tyson Williams have joined us.

The club has been approached by Erina Fair to help launch the “Rally For A Remedy” on July 19. This event is a fundraiser for the Cancer Council and Erina Fair is the major sponsor. They have asked if we could put a display of our cars on in the “Hive” and it would be great if we could have 10 cars attend to support the event. It will be a long day starting at 7:30am and go to 4pm. Any members interested please contact me for details.

I would like to thank all our outgoing committee members for their efforts over the past year. Without this support we would not have a club and hopefully there will be a full committee for the coming year.

The next day saw us heading to Queen Mary Falls, for a drive in the QLD country, was about 80 Kms from the motel and was great seeing all the old cars heading down the road together. It was a short walk to the falls, when we got there, which had a fair amount of water flowing over them. We then headed back towards Warwick to a town called Killarney, where we had a pub lunch and a finish up for the weekend.

From Killarney we headed off mid afternoon, for a town called Bonalbo, where another Sydney mate had moved too and purchased the local garage and shop. We got there just before 5pm and headed straight for the Dog N Bull Hotel, where we had a room booked and where my mate had already started refreshing his thirst. After joining him for some refreshments, we headed back to his place, where he cooked up a nice Italian pasta meal with some panned fried fish on the side, with a couple of red wines, was a great way to finish the day.

We left Bonalbo around 8.30 next morning, heading for Casino for some breaky, then headed off to Kempsey, where we were staying for the night, arriving there around 5.30pm.

The next day seen our final leg back to Gosford, was a good run through the extensive road works up that way, with a breaky stop at Taree.

We were on our final run to Gosford on the M1, just 2 Kms from the Toronto/Freeman Waterhole off ramp, when we had 1st and only car problem, the rear left hand tyre top section was badly bulging, with the inner section of weave separating. We slowly made our way to Freeman’s Waterhole, changed out the faulty tyre and headed home.

We had another great Nationals weekend, covering just under 1000 Miles (1609 Klm), 5 tanks of fuel, $295.00, caught up with some great car people and friends.

First thanks to everyone for your support over the past year for coming out on the runs that have been organised. Also thank you for your input in suggesting and also organising runs on my behalf.

We've had some great runs and a great cap off for the year have been the 2 runs in June. We had a mid week run to Pie in the Sky at Cowan on the 11th of June with 9 cars and last Sunday the 28th of June we had a run to Hunter Valley Zoo with over 40 members and friends in attendance. It was a beautiful day for a cruise up the freeway to Nulkaba and a lot of positive feedback about a great day out.

Coming up we have on Sunday 19th July a Display day at The Hive at Erina Fair in support of "Rally for a Remedy". This is a great opportunity to support a local charity by way of using our cars. Don't forget

All Holden Day on Sunday the 2nd August. Entries always close early so get in quick and remember the club will reimburse 50% of the cost of your entry.

Second Sunday Every Month. Cars & Coffee Parkup. Café Pennoz, Reliance Drive, Tuggerah. (2nd Sunday each Month)

30th All Holden Display Day: 2nd August 2015. Don’t forget to get your entries in

If you are running late to an event contact the club mobile on 0402 949 231.

Dick and Georgie's Trip to the HD/HR Holden Nationals, Warwick, QLD, 5 – 9th June 2015

This year saw my HR wagon, Georgie and I heading off to Warwick in QLD, for our annual pilgrimage to the Nationals. This was the 7th Nationals my wagon has attended, with previous trips to Canberra 09, Shepparton 10, Toowoomba 11, Kiama 12, Mt Gambier 13 and Mildura last year.

We headed off on early Thursday the 4th, heading for Tamworth, our 1st leg, making it by mid afternoon, staying with some friends who had recently moved from Gosford. The next leg was the trek to Warwick, which we made by late afternoon, with a lunch stop at Glen innes and a number of other stops at antique and collectible shops, always on the lookout for some old car or era treasures.

The Friday night was a meet & greet held at the McNevis Motel restaurant where we were staying, plus pick up goodie bags and more info on the weekend activities. Had an early start, with a 5.30am trip to the car wash, to remove the night's icy coating on the wagon and to give her a clean up for the show n shine. Back to the motel for some breaky and then off to Leslie Park, in the centre of town, for the static car show. It was a great location, with a coffee truck and the Lions Club cooking bacon & egg rolls and burgers, throughout the day. There was over 70 cars on display, with a mix of HD’s & HR’s, sedans, wagons, panel vans & utes, with originals, restored, era sports, modified & highly modified variants, the classes, with some excellent examples of all classes.

With the show n shine finishing mid afternoon, it was back to the motel for a rest and freshen up then off to the RSL for the Presentation Dinner, was a good venue with our own room, which was work in progress, however was good for us all to be in one venue area. The wagon once again did me proud picking up 2 more trophies for the pool room, being for 1st place for HR restored and a trophy for sponsors choice.
