FJ Holden Café FJs Holden Cafe in Hughenden, on the way to Townsville
Hi to all members,

Firstly let me say thank you for the support I've received from the members as I've taken on the position of club president. Also a big thank you to the outgoing club committee and a big welcome to the incoming committee. Also a very special thank you to Jeff Browne and his help and assistance in bringing me up to speed. As I ease into this position I just ask that you be patient with me as I come to terms with the duties and responsibilities of being president. Just remember I'm a very approachable person and I'm here to help and to learn so don't hesitate to contact me, I may not have the answer but will endeavour to find it.

Saturday the 23rd of July saw us have our Christmas in July get together. We had 34 members and friends attend and we were treated to a delicious 3 course meal.

If you haven’t paid your membership fees that were due by the 30th June you will need to look at resubmitting a request for membership form. Coming up we have All Holden Day on the 7th August and those attending will have first dibs on the new club jackets. That's right New Club Jackets, cost $84 now subsidised by the club so they are now only $60. Another order will go in as soon as we sell the majority these jackets. Also club caps at $15 (cost $18.50).

Happy and Safe Motoring

Adrian.

REMINDER: Members are reminded they must attend at least five (5) general meetings per year to be entitled to any club benefits.
21st August from 8.30 am
Join us for an adventure treasure hunt in your team car throughout the Central Coast. Exciting challenges and activities at each checkpoint. Great family and friends day out! All ages welcome. Rally your team to fundraise to fight women’s cancer!
