29th October. Catalina Festival, Rathmines

For those who are building or rebuilding their cars please send us some photos and a short note of the work you are doing to them so we can stick it in the Grille. Email them to: ccholdencarassociation@gmail.com

Going for a Friday Night Drive or maybe a day drive during the week? Post it to our Facebook Group and invite other Club members. For those that are not on Facebook or need help setting up an account please see the Editor and Publicity Team.

Happy Bathurst Day!
Holden King of the Mountain Again!
President’s Report

Presidents Report 9th October 2017

Hi Everyone,

Happy Bathurst Day for yesterday!

As I sit here watching the great race on tv it's always with mixed emotions. How I would rather be on the mountain right now but without a doubt this is always a busy time of the year for me and to take time off just compounds my work/life balance and so I sit wishing I was somewhere else.

As we come to the last part of this year I’d thought I’d bring you up to date with what we are up to on the committee.

Currents projects that are happening are:

1) Amendments to the constitution to modernise and include references re: social media, also the consideration and the requirements for life membership
2) New business cards for the club and membership cards
3) Venue for Christmas party / Presentation Night
4) Yearly Display Day venue
5) Early talks regarding the 25 year Anniversary of club
6) The possible production of a history of CCHCA/CCHCA year book to mark the club’s 25th Anniversary.

Club members’ input is always welcome, if there is anything you’d like to contribute.

Just a reminder that if you are not a member of Ourimbah RSL we would encourage you to join so that we can keep our commitment to the club as they don’t charge us room hire.

As we approach this busy time of the year I’d just like to say thanks on behalf of the committee for your support and hope that you stay safe out there.

Cheers and Safe Motoring,
Adrian.

REMINDER: Members are reminded they must attend at least five (5) general meetings per year to be entitled to any club benefits.
Welcome to Peter Linde and Darryl Jessop as visitors. Jill has asked about runs mid week. Members commented on asking Hot Rod club, Ford club, outing before Xmas. To discuss at committee meeting. Ken discussed other options for discounts including those in Victoria, and Rare Spares also to be discussed at committee meeting.

Meeting Closed: 20:29hrs
Club Meet Report: Koolewong Marina Breakfast

Eleven of our Club’s Holdens met at Koolewong Marina AKA The Boathouse, near Woy Woy for breakfast on Sunday the 24th of September.

With over Twenty-Three members in attendance, we dined in the restaurant over-looking Brisbane Water. Although the morning started out near 30 degrees celcius, the stifling heat was soon abated once we joined Geoffrey from the Marina outside for a guided tour.

Geoffrey showed us the top floor and the Marina offices, then lead us out onto the marina itself. Identifying the stringent methods that they maintain to protect the environment and the delicate seagrasses of the area, along with the local and visiting fauna – such as green sea turtles. Then with the cool southerly kicking in, it was time to call it a day and head our separate ways homeward.

Spring is now in full swing, and with daylight savings starting up this coming weekend, there’s going to be plenty of time for some late afternoon events and cruises.

Please send photos of our club run to Lenare so we can use them on our social media and in the Grille.
