Presidents

It seems that this time every year life really hits the fast lane and this year seems like no exception. Fast like a Holden.  
We had a reasonable turnout for Catalina Festival at Rathmines on the 30th of October. It was a shame it conflicted with Muscle cars masters as both are a great day.  
Coming up we have our Annual Club Display Day on the 20th Of November followed by our Christmas / Presentation Night on the 3rd of December.  
We also had a last minute display for Mannering Park Public school. Thank you to Glen Mors, Bill Hansell, and Andrew Moon for making the effort. The school has expressed its appreciation.  
There are a few changes to this years trophy categories for our display day, please see separate article.  
On a serious note the club NEEDS a secretary. I appreciate those who are prepared to be a minute taker but it still leaves a big hole in the committee. As a committee member you have a say on how the club should move forward and your contribution will be appreciated. We are all amateurs here so the main qualification is a willingness to be involved. I look forward to someone to step up and learn the ropes and be an active participant in the club. Please someone step up.  
Happy and Safe Motoring  
Adrian
