Hello to all members,

Unfortunately our annual display day had to be postponed due to the terrible weather. The new date is 7/2/16 with the venue to be advised. Our presentation dinner still went ahead with 55 attending which was a big turn out and the food was excellent. Some members continued on after dinner and enjoyed some time on the dance floor with the live music which was great. A big thank you to Adrian for organising the night and Jill & Bill for running the christmas raffle.

Our committee has been discussing ways of better promoting our club. We have our new shirts being issued and have also decided to give each member a club sticker for the rear screen of their car. Please see me to collect yours, these will also be given to each new member on joining the club.

We will soon have to find a new storage shed for our club equipment. If any member knows of a single garage the club can rent please let me know.

On behalf of the club I would like to extend congratulations to Tyson & Aleisha on their engagement.

Well Christmas time is upon us again, I would like to wish all members a very happy and safe festive season. A reminder there is no club meeting in January but we will have a run on Australia Day.

Take care on the roads,

Jeff

**REMINDER:** Members are reminded they must attend at least five (5) general meetings per year to be entitled to any club benefits.
Gosford Classic Car Museum will be opening in early 2016 at the old Bunnings Warehouse site

As December is always a busy time there will be no runs scheduled for December.

A Run for January is most likely to be conducted on Australia Day with notification coming via Text.

I’m in the process of planning another weekend away run in February to Bathurst on the weekend of the 19th to 21st. Those interested please talk to me so I can start to get an idea of numbers.

Ps those interested in attending a Track day at Wakefield Park Goulburn please see me. This is booked in for 7th March 2016. This is not a club run and there will be other car enthusiasts attending. It’s limited to 30 cars and cost is $250. Numbers will fill fast and payment is up front.

Display Day Rescheduled to 7th Feb 2016. Venue to be confirmed
