Happy New Year!
Let’s Get Cracking on 2018!
President’s Report

February 2018

Happy New Year everyone. I trust that you had a wonderful Christmas and New Year and I expect by now you are back to the daily grind. It looks like the Australia Day Run went well with some good positive feedback from members on the Facebook page.

Well we better strap in because I guarantee things are going to get busy again very quickly especially with the Swap Meet just around the corner on the 11th of March which is only 5 weeks away.

I will need to know numbers and a commitment from each member as to how you can help out over the weekend. At this stage we need your commitment and assignments will be given out at the March general meeting.

Also if you do take the Swap Meet flyers to hand out please make sure you do distribute them as they do cost $ to produce. And please remember that this is our major fundraiser for the year and as we had a bad year last year (with the wash out), we really need to make this count. The funds raised go toward the running of the club and also to subsidise outings events and also club apparel.

On a different note, a big congratulations to Dick Kearnan for taking out the Clubs Car of the Year award. The Presentation Day and Club Christmas Party held at Davistown RSL was very much a success. A big thank you to those that made it happen especially Ken Brien.

Well as we move forward into 2018 I hope it’s a happy and safe one for everyone. Drive safe and I’ll see you next month.

Adrian

Aussie Aussie Aussie!!! Oi Oi Oi!!!

Thank you to all the members, and numerous guests that joined us at Jenny Dixon Reserve Lions Park at Norah Head for an Australia Day Breakfast Park-up. We had a fantastic turn out with over 30 Holdens (including a 48-215!), and met some wonderful new people that love their Holden’s just as much as us. It was great to see everyone, and to see that you are all keen to get the year started with our Club calendar. Thank you to Andrew, Pricilla, Bruce, and Tyson for organising the catering and seeing that we were all well fed.
