President’s Report

March 2018

Hi Everyone,
Well it’s that busy crazy time of the year and this coming weekend is the big one. It’s SWAP MEET time!

Firstly a big thank you to those who have volunteered thus far and to those that have already put in. This will be a big weekend so we need as many volunteers as possible to make this a success. This is our one big fundraiser for the year so that we are financial and don’t have to sell sausage sandwiches every 2nd weekend. The expenditure of the club for trophies, subsidised outings and clothing and dinners, not to mention the low cost of membership all happen because of the Swap Meet.

As last year was a disaster we really need to make this year count. If you enjoy the benefits of Club Rego it’s expected that you help out this weekend. I know there are some members who have already given apologies because they will be on holidays at the same time. Please note next years SWAP MEET is booked in for the 9th and 10th of March 2019 so please book your holidays at another time. We are still short on numbers and could do with about 6 more helpers to make the burden shared. For those that are stepping up for this first time I think you will be surprised at just how big this is.

For those working on Saturday 10am at the Berkeley Vale shed or Noon at the Morisset Showground. Sunday morning no later then 5.00am at the Showground, come in through the back gate off of Freeman’s Drive. Although we have advertised 6.00am Gates open we will be opening the gates earlier so as to avoid traffic congestion back at McDonalds. There is also a “round the lake cycle event” that will be going past so we don’t want to cause any traffic problems.

Thank you Everyone in advance. See you next Weekend,

Stay safe.

Adrian

REMINDER: Members are reminded they must attend at least five (5) general meetings per year to be entitled to any club benefits.

6th Annual Central Coast Elvis Festival

A humid morning saw a great turn out of 12 of our members’ Holdens, and a few additional ring-in vehicles. Our club was also accompanied by the Central Coast Ford Club and the Central Coast American Classics Club, totalling 38 vehicles. Members enjoyed some Elvis tunes, and some not-so-lovely Elvis themed karaoke. And surprise trophies on the day saw Daniel Russell take out Best Holden, with Dick Kearnan taking Runner-Up.

Repco Lakehaven Grand Opening

Short notice, but when Terry from Repco asked if we could lend a hand to celebrate the grand opening of the new Repco Lakehaven store I said I’d see what we could do. Eighteen cars later…

Please send photos of our club run to Lenare so we can use them on our social media and in the Grille.
