President's report

Hi Everyone,

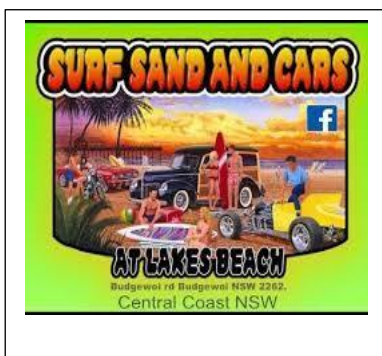

What a nice day at Maitland at the Steamfest yesterday. Six club vehicles, convoying up the M1 and parking up at Maitland Park. Lots of vehicles of many shapes, colours and ages to be seen by many at the Show and Shine. It was a great day at the 35th Anniversary of Burtons Automotive Hunter Valley Steamfest.

Next Sunday the 7th of May, the club has an outing at Henry Kendall Age Care facility. It's an event where we can take our pride and joy and give many older members of that community an enjoyable day. Last year was a success, so let us make this year even better. Sausage sandwiches and drinks will be supplied for members. Please bring a plate [dessert] so we can share with members and our visitors. Thankyou to the members who have already informed me that they are interested in coming. If you have not already done so, please do.

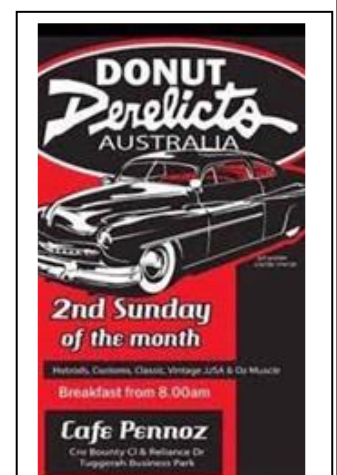

All Holden Day in August is back on again. It is \$70 each vehicle and its driver and \$5 per passenger. What I have heard is that in the goodie bags this year will have lots of goodies from the last 3 years. When you enter [Allholdenday.com.au] Please let me know.

Happy Motoring

Grace Sutherland
